A Letter from the President

Dear Friend of FFA:

It is my honor and privilege to offer a brief update of the Florida FFA Foundation's Activities for 2010-2011.

This year's Beast Feast, led by Florida FFA Foundation Board Member, Ed Swindle, was another outstanding success in helping to continue to reduce debt from the construction of our Conference Center and damages from the 2004 Hurricanes.

We truly enjoy something unique to FFA with the Leadership Training Center Facilities south of Haines City, FL. There is no other State FFA Program that compares with the Facilities & Staff that we have the opportunity to utilize for our young people.

If you have never had the opportunity to visit; please feel free to give Gary Bartley and his Staff a call at 863-439-7332.

Our "*Advancing the Vision*" Capital Campaign continues and in spite of some very difficult economic times for our many, many supporters; we have been very blessed to accomplish many of our goals for this initiative.

I would like to invite you to check out our FL FFA Foundation "Web-Page" at www.flaffafoundation.org for a visual tour of our success, with the effort to date.

We have initiated a search for grant writing opportunities in an effort to further reduce the debt and enhance the leadership training center.

The Foundation continues to grow and expand the Award programs for Florida FFA members and chapters. This past year, we secured sponsorship for 7,000 awards made possible by 190 special project sponsors. This means on the average, over 50% of all Florida FFA Members receive an award during the year made possible by your FFA Foundation.

Our many sponsors & contributors help make all this possible and we are thankful to each of them for their continued ongoing support of the FL FFA Foundation.

It is truly all about our young people and the future; and I would like to close by thanking our Executive Director of the FL FFA Foundation, Gary Bartley & his staff, for the outstanding job in helping execute our vision for the FL FFA Foundation.

We appreciate the work and effort our Board of Directors does in making this program possible. We couldn't do it without them.

Thank you for the privilege to play a small part in what we try to accomplish.

Sincerely,

William Hamm
