

Florida FFA Foundation, Inc.
2007
Annual Report

Dear Friends of FFA:

It is my honor and privilege to offer a brief update of the Florida FFA Foundation's Activities for the 2007-2008 year.

This year's 2008 Beast Feast Auction led by Florida FFA Foundation Board Member, Dennis Der; was another outstanding success in helping to continue to reduce debt from the construction of our Conference Center and damages from the 2004 Hurricanes. We truly enjoy something unique to FFA with the Leadership Training Center Facilities south of Haines City, FL. There is no other State FFA Program that compares with the Facilities & Staff that we have the opportunity to utilize for our young people.

If you have never had the opportunity to visit; please feel free to give Gary Bartley & his Staff a call ... 863-439-7332.

The FL FFA Foundation needs everyone's help with our ADVANCING THE VISION Capital Campaign as we try to push forward with the original vision for our Foundation ...

1. Renovate and refurbish existing Leadership Training Center facilities
2. Complete the Leadership Training Center Project.
3. We must establish an Endowment to fund academic scholarships.
4. Establishment of a Facilities Preservation & Disaster Relief Fund for the Center.

The Foundation continues to grow and expand the Awards programs for Florida FFA members and chapters. This past year, we secured sponsorship for 7,000 awards made possible by 190 special project sponsors. This means on the average, over 50% of all Florida FFA Members receive an award during the year made possible by your FFA Foundation.

Our many sponsors & contributors help make all this possible and we are thankful to each of them for their continued ongoing support of the FL FFA Foundation.

It is truly all about our young people and the future; and I would like to close by thanking our Executive Director of the FL FFA Foundation, Gary Bartley & his Staff for the outstanding job in helping execute our vision for the FL FFA Foundation.

In addition to the Foundation's efforts; folks like Belinda Chason and Ronnie Simmons (along with so many, many others) give more than any of us will ever know; and we APPRECIATE all they contribute without fail.

The founder of Ralston Purina Company, William H. Danforth always challenged those whom he met to ...

"Aspire Nobly, Adventure Daringly & Serve Humbly" "What's Next?".

"What's Next?" for our FL FFA Foundation is truly up to the many, many "Friends of FFA".

Thank you for the privilege to play a small part in what we try to accomplish.

Sincerely,

Fred Williams
